On Standards: "Never go down in quality. That's the trick. If you change, always change to something better."

The roots of Wedgewood Pizza are rich in tradition. From its establishment in 1967 by Patsy Acconcia, a famous New York Chef, and Gerry Bianco, a highly skilled baker, the name Wedgewood Pizza has been synonymous with the highest quality. This tradition of high quality has become the cornerstone of Wedgewood Fernando's Pizza.

Our focus will always be on using the finest ingredients available. Everything is prepared from scratch to the exact standards of the owner, Fernando Riccioni. To maintain the excellence, Wedgewood Fernando's Pizza serves only pizza. To quote Fernando "We don't do anything extravagant, we just do pizza!" As we grow to better serve you, we will remain dedicated to these ideals. Our "expanding family" pledges to continue this award winning tradition of producing only the highest quality pizza.
